

KHALID ALHOSNI

AUDIO/VIDEO REQUIREMENTS

Khalid Alhosni's goal is to deliver the absolute best presentation possible! He is fun to work with and he is as flexible as possible in working out details on-site. What follows are the general requirements necessary to make Khalid's presentation and your event amazing.

COMPUTER, PROJECTOR AND SCREEN

Khalid's entire presentation is presented from his computer using a 16:9 display ratio. Please also provide a small, draped table for Khalid to place his laptop and organize his materials on. Khalid needs to have his computer on stage with him on either side of the stage.

A large computer projector screen, raised as high as possible off to the side of the main stage.

Split Screen: If using two, large screen monitors and projecting Khalid's image on the screen during his presentation, split screens are preferred – with one screen projecting live camera feed and the second screen showing Khalid's PowerPoint presentation.

MICROPHONE, AUDIO AND LIGHTS

A freedom microphone headset is preferred (wireless).

Please provide a second, hand-held, wireless microphone for participants interactions.

Please connect the sound from the laptop to the speakers.

Speakers large and powerful enough for the room size are required.

The room should be either fully or almost fully lit to maintain a high energy level.

Please make sure there is lighting directly on the stage or riser location even in small break-out rooms.

Khalid prefers to have a confidence monitor.

Khalid must have the ability to do an audio/visual test no fewer than 1 hour before taking the stage.

Beverage:

Please provide a bottle of still sparkling water and a glass for Khalid (Room temperature).
